

## NEWSLETTER 08 OCTOBER 2018

Dear brother / sister in Christ.

Herewith our newsletter for week 8 October 2018, thank you for your continued prayers for the tipping point prayer points.

We have added lesson 7 to the teaching section – 2 Chronicles 7:13-15, we trust it will be a blessing to you.

We request that you would please continue to intercede on a daily basis for the "it's time" prayer meeting scheduled for 27 October, just outside Pretoria. Please pray for Angus Buchan and all involved in logistics and administration for the event. We are trusting that this prayer meeting would be another step towards a Holy Spirit led, country wide revival!

Also. Please continue to pray every day for the prayer points as outlined on the MPG website, and posted daily on Facebook.

***Perhaps you would like to become part of this prayer movement, but are unsure how. Depending on where you live, there are several options available for you.***

- An opportunity for all South African Christians
  - Please do all you can to attend the "It time" 2018 meeting on 27 October 2018. It is being planned for the Donkerhoek vicinity, just to the east of Pretoria. This is a "once in a lifetime" opportunity to be part of what God is doing in our country – please don't miss out on being part of a country wide revival!
- Praying for daily Tipping point subjects.
  - Please take time to pray on a daily basis for the prayer points as outlined in our website (Moreleta park gemeente) and our Facebook page.
- Weekly prayer meetings at MPG
  - For those in the Pretoria vicinity we have regular Monday night prayer meetings where we as congregation pray for Tipping point and other urgent matters. We would be honored for you to join us.
- Quarterly nights of prayer and fortnights of intensified prayer at MPG
  - These will be advertised on the website and Facebook, as the Lord leads us into times of more extended prayer and worship.
- Starting a prayer group in your own congregation.
  - On the website you will find material helping you to start and maintain your own prayer group. In additions there is teaching material available to help home groups who feel the need to intensify their prayer commitment. We trust this material will benefit those who feel led to commence a prayer group in their own congregation.
- Prayer as part of a home group.
  - Feel free to pray the Tipping point topics as part of your home group prayer times.
  - In addition there is teaching material as regards prayer which your home group may find informative, feel free to use the material in any way your see fit.

May the Lord bless you as you become part of a growing prayer movement in our country!
