

NEWSLETTER 4 NOVEMBER 2018

Dear brother / sister in Christ.

Herewith our newsletter for week 4 November 2018, thank you for your continued prayers for the tipping point prayer points.

Lessons 11, 2 Chronicles 7:13-15, has been added to the teaching section – we trust this will be a blessing to you.

We continue with daily intercession for our president Cyril Ramaphosa, that God would give him heavenly insight to govern our country in wisdom and righteousness.

God is not finished with South Africa! We believe that He has great things in store for our country, what a privilege to be part of this historic move of Gods Spirit. If we continue in prayer, and do not slack or lose hope, we have an assurance from God that He WILL answer the prayers of is children, and heal our land! (2 Chronicles 7, 14-15)

Blessings,

MPC prayer team.
