

## NEWSLETTER 23 JANUARY 2019

Dear brother / sister in Christ.

Herewith our newsletter for week 23 January, thank you for your continued prayers for the tipping point prayer points.

Lesson 17 has been added in the series on 2 Chronicles 7 13-15. You will find this, the penultimate lesson, and all of the previous lessons in the section labelled teaching. If you have not yet done so we urge you to read each lesson, and pray the prayers for yourself, the Church, and our country as the Lord leads.

We feel the Lord has laid it on our hearts to pray for the 2019 election on a daily basis. God works mightily through elections, he did so particularly in 1994, and we are trusting that He will do so again in 2019. Please take trouble to pray for the upcoming election every day, as well as for the weekly prayer items as outlined in the section entitled topics for prayer.

May God bless us as we spend 2019 praying for his presence, his favor and a mighty spiritual revival in our country. **God is not finished with South Africa!** We believe that He has great things in store for our country, what a privilege to be part of this historic move of Gods Spirit. If we continue in prayer, and do not slack or lose hope, we have an assurance from God that He WILL answer the prayers of his children, and heal our land! (2 Chronicles 7, 14-15)

Blessings,

MPC prayer team.
