

NEWSLETTER 4 MARCH 2019.

Dear brother / sister in Christ.

Herewith our newsletter for 4 March 2019, thank you for your continued prayers for the tipping point prayer points.

Lesson 18 has been added in the series on 2 Chronicles 7 13-15. (Sincere apologies for the delay) This concludes our teaching on 2 Chronicles 7:13-15. Please take time and trouble to study this last lesson – it is a summary of all the steps laid out as a pre-requisite for revival. Perhaps God is calling you to join a prayer group to pray for our country, especially in this critical election year, or possibly God is calling you to start a prayer group of your own. Either way, you will never regret the time and effort spent in corporate prayer – God will richly reward you.

Subjects for prayer have been updated. In essence, we continue to pray for the same subjects. God invites us to keep "knocking at the door" until he hears from heaven and answers our prayers with a glorious country wide revival (see 2 Chronicles 7:13-15)

We continue to pray every day for our election May 8 2019. On the contrary we intensify our prayers, both in time, as well as earnestness. We also continue to pray for the parts of our country suffering the crippling effects of drought, and in addition we feel it necessary to pray against corruption on a daily basis. So much has happened in the past months to encourage us – God is busy exposing corruption and state capture to a degree never seen before. We pray especially that God would restore to the needy citizens of our country that which the locust has destroyed, billions of Rands lost through corruption and bribery, (See Joel 2:25)

May God bless us as we spend 2019 praying for his presence, his favor and a mighty spiritual revival in our country. **God is not finished with South Africa!** We believe that He has great things in store for our country, what a privilege to be part of this historic move of Gods Spirit.

Blessings,

MPC prayer team.
